Announcements:

CGPS&P Resolution 2021-22 D to Institute a Living Wage will return from deferral and be presented at the University Council meeting on **March 21st at 3:30 PM**. The Zoom Link will be provided when we have it. The meeting will take place in [Pamplin 1045](#).

Please read the revised Resolution to be prepared for this meeting, invite colleagues and friends to attend, and reach out to folks to gain support for this Resolution.

Please maintain parliamentary order during the council meeting. Only council members are permitted to speak during the meeting unless otherwise recognized by the chair. Breaking these rules jeopardizes our ability to advocate for graduate students in this space and exposes us to being barred from doing so. Further, the room is equipped with microphones in the ceiling; please refrain from clapping or other extraneous noises to ensure folks on Zoom can hear what is going on in the room.

Living Wage Task Force: [Please apply to be on the living wage task force here!](#) We will be getting started on this before the end of the semester.

The BoV will be having a Public Comment on Tuition and Fees event on **Tuesday, March 22 at 1:45**. You can register to speak (March 15 deadline) or submit a comment online (March 28 deadline) [by following this link!](#)
